

Change Maker Award

Katerina Clark

Kat Clark has been a volunteer with RainbowYOUTH since March 2014 started a peer support group for young queer and trans people in Tauranga. The group, called TaurangaPryde, this is the first group for young queer and trans people in Tauranga.

Kat has worked hard over the last year to create a safe and supportive group for the local Tauranga LGBT+ community. She has put endless amounts of time and effort in to get the group established.

“Kat is hugely passionate about this group and working with young people, as is evidenced by her commitment to the TaurangaPryde group while undertaking full time study to become a Social Worker.”
