

# Working for Youth Award

## Liam McLeavey

Recognising unemployment as being one of the biggest issues affecting young people, Liam founded “Youth Jobs Horowhenua”, an initiative aimed at helping young people find jobs in the Horowhenua district.

Liam is the deputy chairperson of the Horowhenua Youth Council and provided a youth voice on local government issues including the Horowhenua Psychoactive Substances Policy. He is also a member of the Ministry of Youth Development’s Youth Advisory Group.

“Liam really does work for youth and dedicates many hours to making the Horowhenua a better place for young people.”
