## Ruapehu Youth Council

Ruapehu Youth Council's mission is to enable young people in Ruapehu to be adequately represented in order to aid the development of their individual potential and their community's wellbeing. The Ruapehu Youth Council is made up of youth ambassadors from Waimarino-Waiouru and Taumarunui-Ohura. Projects have included seeking funding for buying and distributing Christmas presents to those in need. This is part of wider work on poverty.

“The Youth Council does not limit their work solely to benefit youth; a wider perspective is always in mind for the benefits to the wider community.”
