

Change Maker Award

Sharnay Cocup

Sharnay is the youth co-ordinator of the Taupiri Youth Group. Under her leadership this youth group has encouraged local young people to do good things and believe in themselves; to show them that anything is possible to achieve.

The Waikato District Council is working hand-in-hand with her and the Taupiri Youth Group. People and businesses are now starting to get involved and support the youth in their community.

“Sharnay has formed a trust on her own ... she is keeping the kids off the street by giving the kids the opportunity of participating in their community.”
