

# Giving Back Award

## Sulani Helg

Sulani gives back to her community in many ways. She is a Youth Ambassador for Rheumatic Fever and Save the Children and a member of the Youth Advisory Group for the Ministry of Youth Development. Sulani plays a large role in Manurewa High School where she is part of Humanitarian Aid Leadership Programme, is a student representative on the school Board of Trustees and runs the Breakfast Club, which organises donations of food and provides nutritious breakfasts for all students.

“Sulani’s humanitarian aid trip to Laos and Thailand confirmed a life path for her in contributing to development in second and third world countries. At only 16, not only has she demonstrated she understands HOW to do this, she also understands WHY she wants to do it.”
