Ākonga Youth Development Community Fund - Strengthening Ākonga Resilience to Achieve Better Education Outcomes Frequently Asked Questions

	Question	Answer
		Funding is time limited.
2.7	How much funding is available?	A total of approximately \$7.8 million will be distributed through the Fund to support delivery for two academic years only (i.e. 2021 and 2022).
		Depending on the scale and reach of each programme, a range of 50% to 100% of programme costs will be considered.
2.8	Is there a template for this RFP?	There is no programme design and delivery template. A response to the RFP must be provided through SmartyGrants (please see FAQs section 4). SmartyGrants will open for responses to the RFP on Monday 23 November 2020. The link will be available on the Ministry of Youth Development website http://myd.govt.nz/funding/akonga-youth-development-community-fund.html
2.9	Is a provider able to provide both holistic supports plus educational opportunity/environment if suitably qualified to do so?	We are seeking proposals from suitably competent and experienced community-based providers that demonstrate a strengths-based youth development approach (see Section 1 of the FAQs and the RFP).
2.10	Are you able to advise what measurable KPI's you have in mind, as well as the volume/numbers of Ākonga requiring assistance in each region?	The outcomes for this fund are described in section 2 of the FAQs. There are no formal KPIs. The measure of success for ākonga will be different and dependent on the level of support needed, their engagement in the programme, and their aspirations. Respondents to the RFP are expected to be able to identify local ākonga at risk of disengaging from education, due to the impact of COVID-19.
2.11	What is the no. of ākonga that MYD would consider as 'a minimum number' to participate in a development programme per year?	There are no set numbers of ākonga per programme per year. The number of ākonga will vary from locality to locality and depend on identified needs, evidence and programme costs (see also Section 2.3 of the FAQs).
2.12	Are we able to access data from the Ministry of Education that highlights the ākonga population size and the region where ākonga have been most impacted?	The Ministry of Education website (https://www.educationcounts.govt.nz/home) has a wide range of statistical information and reports about education and learning, including regional profiles. Local and regional services (e.g. local schools and education providers, iwi, social services, government agencies) will also have some information that can help inform local evidence-gathering.
